

WHITE POND ADVISORY COMMITTEE

SEPTEMBER 28, 2018

To Town Moderator- Carmin Reiss

Dear Madam Moderator,

The White Pond Advisory Committee, at our last meeting of Sept. 26, 2018, voted unanimously to recommend affirmative action on Articles 4 and 5.

Our committee feels this is a wonderful opportunity and addition for the town and residents of Concord to have the use and enjoyment of this unique and beautiful property.

And the acceptance of this property by the town will insure that the beauty and quality of White Pond will continue into the future.

Thank you.
