

ARTICLE 22 . Proposed Amendment

Mr. Hubbard-Nelson moves: That the motion be amended by adding at the end the following language: “; and further, that Town Meeting requests the Select Board to urge the Library Corporation to consider a design for the Concord Library expansion (Heywood-Benjamin house) to be funded under item (c) that is consistent with Concord’s sustainability principles and with Concord's goals for reducing greenhouse gas emissions, requiring both an all-electric design and Zero Net Energy-ready building and site capabilities; and while the Town urges the Library Corporation to design this expansion with all-electric/ZNE-ready as the preferred design, other alternatives may be considered.
