**Re: *NOI Filing – Cover Letter
Middlesex Playing Field Improvements***

Dear Members of the Commission:

On behalf of the Middlesex School, Weston & Sampson Engineers, Inc. is hereby filing supplemental documents in response to questions presented by the commission.

As part of this filing, we have included the following electronic documents in PDF format:

- Wall Profile Diagram
- Pictures from Lowell Road looking into the location of the corner of the wall depicted by a Kubota tractor
- Environmental Impact Assessment of a turf field at the university of Wisconsin – Madison utilizing the same product. Of note:
 - Fields have been in use since Spring 2017
 - Stormwater discharges directly into a stream
 - No residual issues have been experienced since installation

If you have any questions regarding this submittal, please contact me at (203) 565-1460.

Very truly yours,

WESTON & SAMPSON ENGINEERS, INC.
