

3/10/24

Hi Elizabeth,

I live on the street next to Forest Ridge Rd and I'm quite concerned about the enormous size of the proposed Residences at Thoreau. In their narrative they talk about keeping with the historic character of Concord. But their overblown buildings don't in any way match the understated and balanced style of the town. And they seem to have no reverence for the beauty of nature on their land. Thoreau would be appalled.
