

Dear Concord Resident,

As the 250th anniversary of the start of the American Revolution approaches on April 19th, 2025, we are reaching out to all Concord residents to ensure you are well-informed about the upcoming weekend activities.

The Patriots' Day Parade will take place on Saturday, April 19th, 2025, starting at 8:30 AM on Thoreau Street. In celebration of the semiquincentennial, Concord is going all out with a parade featuring over 50 units, thousands of participants, special guests, and a drone show to cap off the day. Due to the scale of this event, we want residents to be informed about the day's schedule, transportation options, and road closures, which will begin Friday, April 18th, at 6 PM and continue through late Saturday night.

There are two things we ask you to do.

1. Sign up for News & Notices on the town page. The town will proactively send you information about Patriots' Day weekend via email and/or text. Here's how:

Step 1: Go to concordma.gov and click "Notify Me" On the left-hand side of the screen.
Step 2: Sign up with email and click on Concord250 icon and confirm through your email.

2. Learn everything about the weekend parade events, including Concord250 town events leading up to April 19th, road closures, transportation options, Frequently Asked Questions, and so much more at:

Concord250.org

Things can change, so check back often! Information will be updated as needed.

If you have additional questions, please reach out to publicinfo@concordma.gov

This is an exciting time for Concord, as well as America, where we honor Concord's leading role in the birth of our Country. We look forward to celebrating this with you, our town residents, and the many visitors that will make the journey to mark this special occasion with us.

Best,

Gary Clayton
