

ARTICLE IV – Licensing of Persons Authorized to Make Connections to the Public Sewers

License Required

- Sec. 1 Contractors must be licensed by the Division as Drain Layers authorized to perform work on Sanitary Sewer service connections within the Town of Concord.
- (a) All applicants for licenses are required to pay a fee in accordance with the current schedule of fees.
 - (b) The contractor shall provide a reference from at least one other Town in which the firm has done sewer work or proof of current licensure as a drain layer in another Massachusetts town.
 - (c) The contractor shall be required to provide written acknowledgement of receipt of instruction as to the Town of Concord sewer service application procedures and awareness of applicable design and construction standards established by the Division.
 - (d) Licensees are required to give personal attention to all connections to the Town sewer system and shall employ only competent workers. The licensee shall be responsible for compliance with all rules, regulations and standards of the Town and all required repairs for a period of one year from acceptance of any such work.
 - (e) In the event that licensees find substances in a sewer for which the sewer connection is not permitted during the course of their work, the licensees are required to notify the Division within twenty four hours.
 - (f) The Superintendent reserves the right to immediately revoke any license if any provision of said license is violated. Applicants for licenses shall be approved or disapproved within a 14-day period after filing the application.
 - (g) All licenses expire three years from the date of issuance or upon departure of the responsible party (signatory), or upon failure of contractor to provide the Division with a valid and current “Certificate of Insurance.”

Certificates of Insurance

- Sec. 2 As a condition of approval by the Superintendent, applicants for licenses shall file with the Town an insurance certificate naming the Town as an additional insured party with General Commercial Liability Coverage up to \$1,000,000 and also riders for underground explosion and collapse (UEC) coverage; proof of Worker’s Compensation Insurance up to the statutory limits; automobile and other vehicle insurance of not less than \$250,000, all of which shall remain in full force and effect for a period of at least one year from the date of approval. These Certificates shall contain a provision that coverage afforded under the policies will not be canceled until at least fifteen days prior written notice has been given to the Town. Said insurance shall indemnify the Town of Concord against any and all claims, liability or actions for damages incurred in or in any way connected with the performance of the work by a sewer system installer, and for or by reason of any act or omission of said sewer system installer in the performance of his or her work.
